HUNGARIANS REMEMBER THIRD ANNIVERSARY

A wreath was laid in the War Memorial Gym on the third anniversary of the Hungarian revolution.

Sixty-eight under-grads, grads and staff members of the Sopron Division of Forestry laid the wreath without ceremony 3:00 p.m. Friday.

They had marched in the rain from the flagpole, near the Faculty Club, down the Main Mall and along the University Boulevard to the gym.

The students and staff of the Faculty of Forestry, University of Sopron, fled to Austria following the Hungarian revolution of October, 1956.

On New Year's Day, 1957, they departed from Liverpool for Canada where they became part of the University of B.C.

Upon graduation of students now in their third year, the Sopron division will cease to exist at the University.
